Pony Group

Saturdays 11am-1pm

£60 per child for 6-week course

£15 for one-off session

For more information, contact us on info@marescharity.co.uk or 07866686166.

The Pony Group operates on a 6-weekly basis for children aged between 3-15 years giving them the opportunity to learn about horse/pony care and management.

Each week, children take part in various “horsey” activities and learning whilst having fun.

Throughout the course, children can earn certificates to be proud of and extend their knowledge and new-found skills.

Although this is not an arrive-and-ride club, there will be riding opportunities during the 6-week club.

Little Mares Clubs offer activities within a farm-based environment. The aim is for children to gain knowledge and confidence to enjoy the outside and the animals that live there. We also actively encourage families to come together to enjoy the surroundings of our natural environment.
